

Un campo cheo de estrelas

Letra do himno do Ano Santo Compostelán 2027

Autor: Carlos Martínez Movilla

ESTROFA 1

Rutas de pedra e silencio
fíos que tecen a fe
dende hai máis dun milenio
silentes baixo os teus pés

Non importa de onde veñas
nin a cor da túa pel,
importa quen volverá
sendo distinto ó lugar
onde o viron nacer

RETROUSO

*Un campo cheo de estrelas
agarda ó fin do camiño
onde as frechas me levan
a reunirme contigo*

*Guíame, guíame, guíame,
á túa casa Santiago, guíame...*

ESTROFA 2

Porta que eleva á Gloria
perdón que atopa o seu rumbo
graza que o ano custodia
poñendo luz no escuro

Onde un martelo de prata
derruba todos os muros
onde non vexas fronteiras,
nin se precisen bandeiras
nin ti nin eu, senón xuntos

RETROUSO

*Un campo cheo de estrelas
agarda ó fin do camiño
onde as frechas me levan
a reunirme contigo*

*Guíame, guíame, guíame,
á túa casa Santiago, guíame...
Guíame, guíame, guíame,
acompañame a atoparme con El*

Un campo lleno de estrellas

Letra del himno del Año Santo Compostelano 2027

Autor: Carlos Martínez Movilla

ESTROFA 1

Rutas de piedra y silencio
hilos que hilvanan la fe
desde hace más de un milenio
silentes bajo tus pies

No importa de dónde vengas
ni el color de tu piel,
importa quién volverá
siendo distinto al lugar
donde lo vieron nacer

ESTRIBILLO

*Un campo lleno de estrellas
me espera al fin del camino
donde las flechas me llevan
a reunirme contigo*

*Guíame, guíame, guíame,
a tu casa Santiago, guíame...*

ESTROFA 2

Puerta que eleva a la Gloria
perdón que encuentra su rumbo
gracia que el año custodia
poniendo luz en lo oscuro

Donde un martillo de plata
derriba todos los muros
donde no existan fronteras,
ni hagan falta banderas
ni tú ni yo, sino juntos

ESTRIBILLO

*Un campo lleno de estrellas
me espera al fin del camino
donde las flechas me llevan
a reunirme contigo*

*Guíame, guíame, guíame,
a tu casa Santiago, guíame...
Guíame, guíame, guíame,
acompañame a encontrarme con Él*
